At tonight's White House evangelical dinner, Paula White presents a Bible to @POTUS and @FLOTUS, signed by over 100 Christians and inscribed with a quote. Read here.

@CBNNews @WhiteHouse @realDonaldTrump

PASTOR WHITE: It's an honor to be here. And before we pray the prayer, this group would like to present to you and First Lady a Bible that is signed by over a hundred Christians, Evangelicals that love you, pray for you. And I'd just love to read the inscription for you and First Lady. It's very important for -- I have to put on my glasses, so -- sorry.

It says: "First Lady and President, you are in our prayers always. Thank you for your courageous and bold stand for religious liberty, and for your timeless service to all Americans. We appreciate the price that you have paid to walk in the high calling. History will record the greatness that you have brought for generations."
