My impression is that The National Hispanic Christian Leadership Conference is not a real organization but rather just a website for Samuel Rodriguez. nhclc.org
It's not a member of ECFA ecfa.org/Members.aspx

I see the NHCLC had a Justice Summit March 13, 2019 at the Museum of the Bible with 300 in attendance. [instagram.com/p/Bu-SQk8B3uY/](https://www.instagram.com/p/Bu-SQk8B3uY/) and advertised a Board Meeting in Tampa, FL for May 1, 2019. But does the NHCLC function as a representative of evangelical Hispanics or just Rodriguez?

Reasons Samuel Rodriguez should not be on @NAEvangelicals board:

1. NHCLC is primarily marketing for Samuel Rodriguez. See @nhclc and

NHCLC | National Hispanic Christian Leadership Conference

NHCLC – Providing leadership, strategic partnerships, and public policy advocacy platforms to our three directives: Life, Religious Liberty and Biblical Justice

2. False advertising about org. WEA spoke out against it in 2014.

The National Hispanic Christian Leadership Conference does not describe on its 2014-2016 990 forms what they accomplished.

Line 4a "organizations must describe their accomplishments for each of their three largest program services."

They just repeated the mission from line 1.

More from the NHCLC 990 forms:
Regarding having "no contemporaneously documentation of meetings," they say "Board has no separate committees."

So that's an excuse for not having minutes?!

Also their explanation of how they monitor and enforce conflicts of interest is weak.

As of Oct 25, 2019, the last 990 form for the NHCLC | National Hispanic Christian Leadership Conference is Dec 2016.

I have put "evangelical" in parenthesis because people increasingly do not use the term because it is so associated with politics. They would have used the term in the past to express their high regard for the Bible and conviction that Jesus is "good news" (Greek: euangelion).
